

# NORTHLANDS

PTY (LTD)

23 August 2013

To whom it may concern

Northlands Business Park (PTY) LTD, are the property managers of a the business estates listed below and for the past 8 years Systems Control Integration have been our Security Service providers.

- Northlands Business Park Northriding
- Northlands Deco Park Northriding
- Northlands Production Park Northriding
- Northlands Commercial Park Northriding
- Northlands Shopping Centre Northriding

All our IP Based CCTV & DVR systems in all the office parks, as well as VideoIQ video analytics in the Northlands Shopping centre was installed by Systems Control Integration, these large projects were completed by them to the highest Security Standards & to the standards required of a large business estate.

Northlands have an ongoing relationship with Systems Control Integration, as they are responsible for maintaining and servicing all the security equipment.

They are also our preferred installation company for new projects.

We hereby recommend them for their expertise in the advanced CCTV industry.

Regards

Darin D'Oliveira
